Refreshments will be provided. Please **bring lunch** with you, as lunchtime is often a good opportunity to network and get to know your fellow Figurenoters. There are places nearby if you decide to venture out for food - Lidl, Tesco, and Greggs. We have a small kitchen with toaster and microwave, which you are very welcome to use.

Free parking is available in the car park at the front of the building.

Please note that there are building works with some diversions in front of our building. The current advice is to follow the diversion off Niddrie Mains Road - this takes you along Wauchope Terrace. Then take the second left onto Harewood Road. Our car park will be on your right.

The pedestrian diversions are down Wauchope Terrace or next to the library, depending on which end of Niddrie Mains Terrace you are coming from.

Software Session

We will be including v3 software in the tutorial, but will focus on v2.2. We will have MacBooks available for you to use. If you have Figurenotes software already on a laptop, then you may find it easier to use this in the session. Please let Lauren know if you plan to bring your own laptop and she will make sure there is space for you to work.

Please call **0131 659 4766** or email laurenclay@drakemusicscotland.org with any questions.
If you have a problem **on the day**, please text or call 07856 941944.
