

Introducing Rhythm

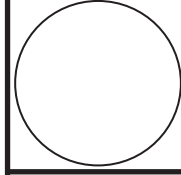

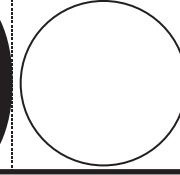

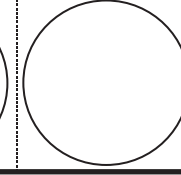

The note is as long as it looks!

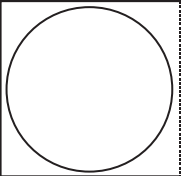

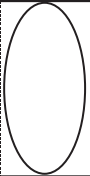

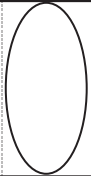

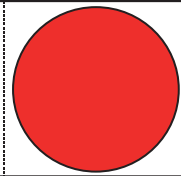

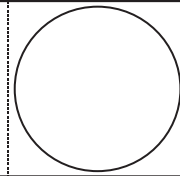

Try making up your own rhythm words to fit these notes.

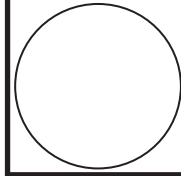

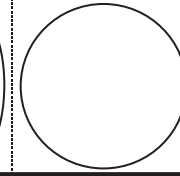

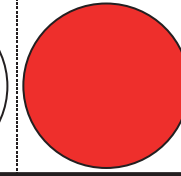

Here is an example.

				
[Tea]				

				
[coffee]				

				
[Tea]				

				
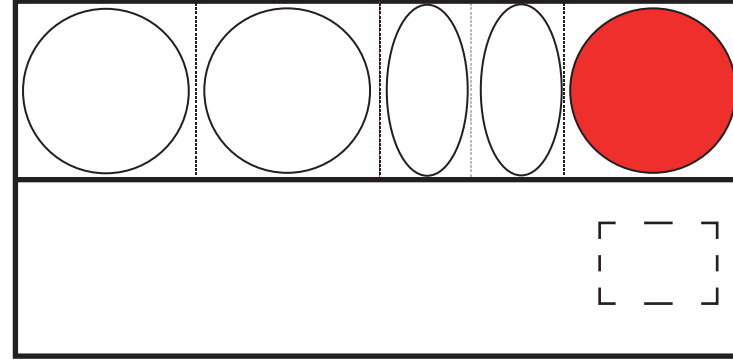

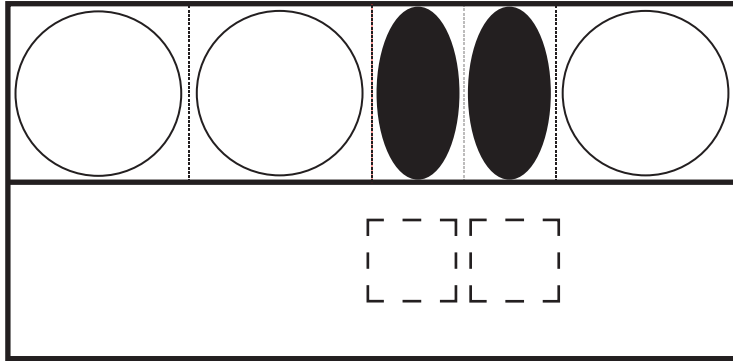

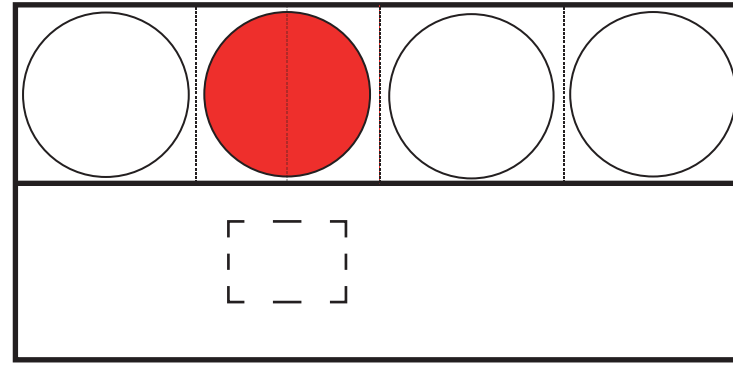

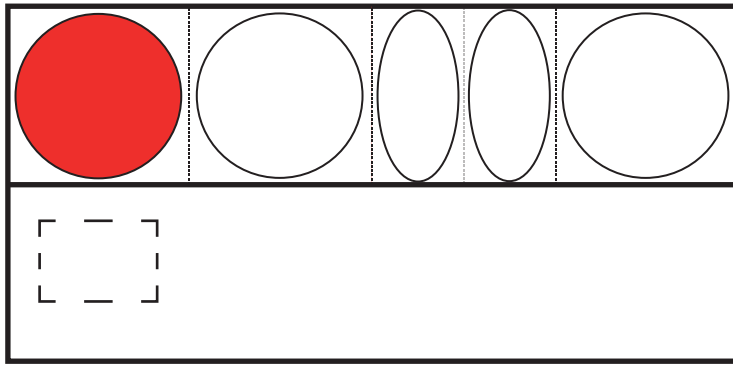

[Tea]				

Now try making up your own using the blank sheets. You can clap them, then try playing.

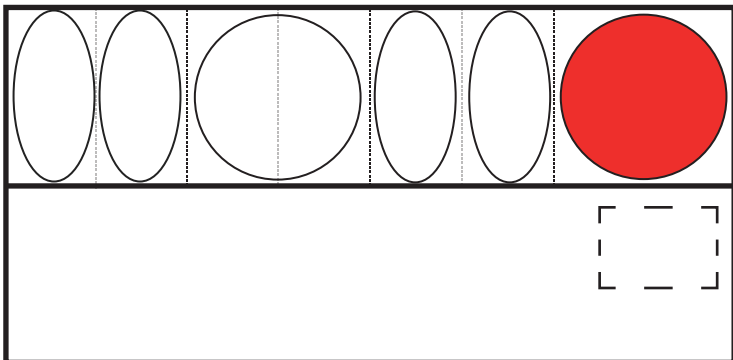

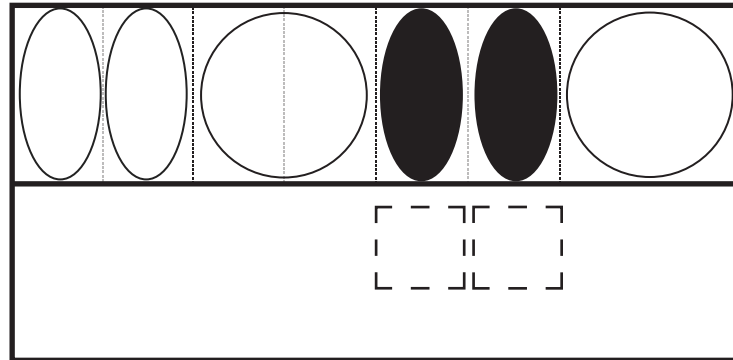

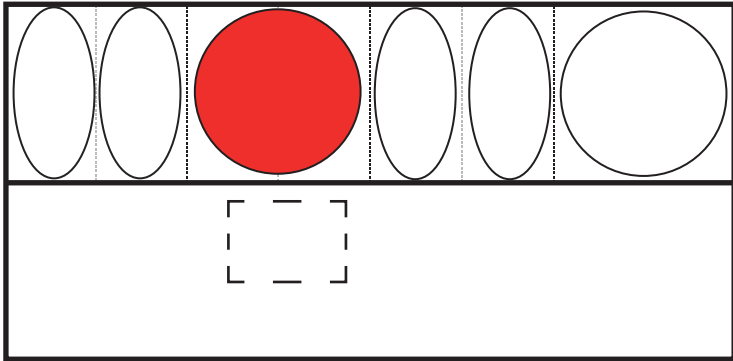

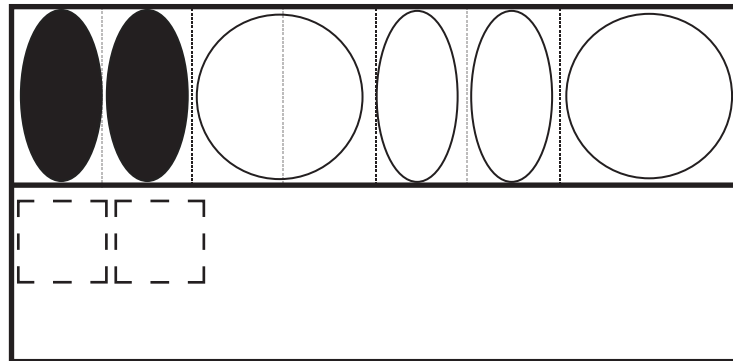

Now try drawing in the blank bars using these notes to make your own rhythms.

Mix them up.
