

# FIGURENOTES

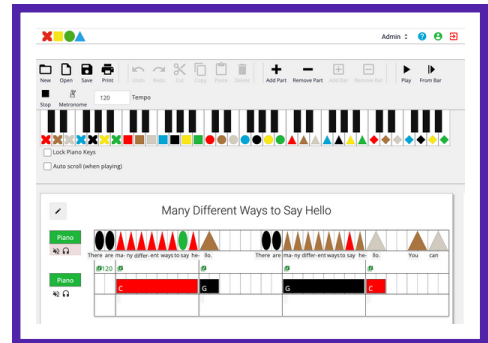

## *Products and Where to Find Them*

### **Notate**

This is our online notation software. You can create your own scores in Figurenotes and import existing scores from Muscore and Sibelius.

[Notate.Figurenotes.org](http://Notate.Figurenotes.org)

### **Stickers**

Figurenotes stickers are great for keyboards, pianos, strings and percussion. Paired with a Figurenotes score, our stickers make reading music simple.
