

# Figurenotes BINGO 1

This BINGO game uses Figurenotes notation containing minims, crotchets, and quavers (2-beat, 1-beat, and half-beat notes). Listen to the caller and find the matching passage on your bingo card. You need to listen to the rhythm and the pitch.

## How to play:

- 1** Nominate one person to be the bingo caller. Hand out the standard notation BINGO cards to the rest of the group.
- 2** The caller randomly selects a passage from the caller sheet and plays it. When a passage is called, each player must find and mark it on their card. You can use counters or a pen.
- 3** The first player with a line or row shouts BINGO and is the winner of the round. You can also play for a 'full house', where the entire card must be completed.

## Top Tips

We recommend laminating this resource. You can also pop the bingo cards in a plastic pocket for a less permanent solution. For big groups, try a dry-wipe marker to tick off your bingo card instead of making lots of counters.

If printing, use pencils or counters to mark your bingo card.

Remember to count 1, 2, 3, 4 or similar to establish pulse. When playing rests, we suggest replacing a rest with a 'sh' sound or something similar to begin with.

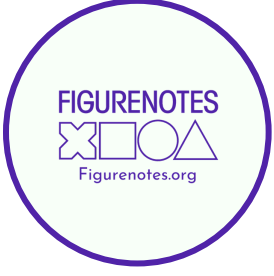

## Structure

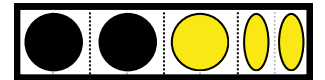

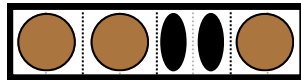

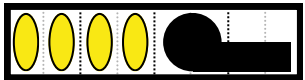

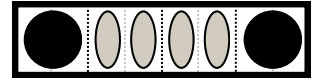

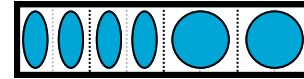

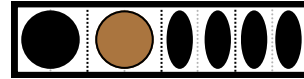

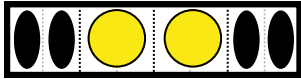

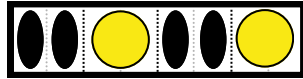

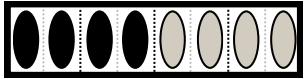

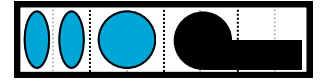

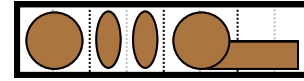

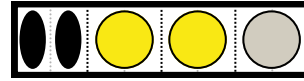

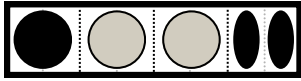

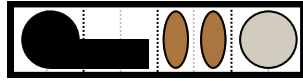

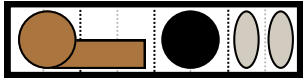

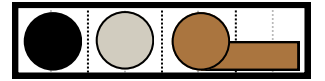

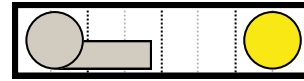

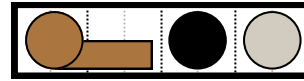

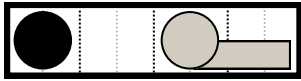

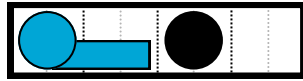

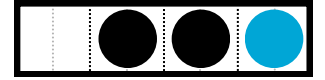

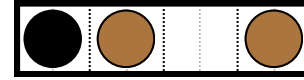

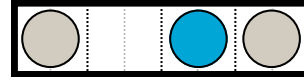

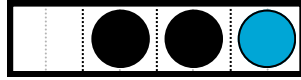

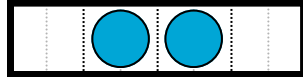

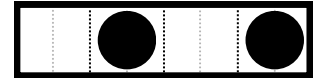

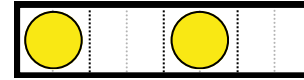

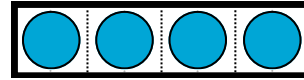

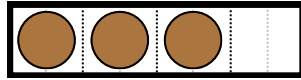

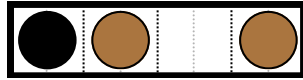

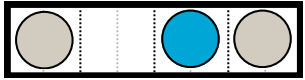

Try playing this with stage 1 bingo cards before moving to stage 3.

When moving to stage 3 notation, you can ease the transition by showing the stage 1 notation when the caller plays the passage.

This resource uses rhythm and pitch. Try **Rhythm Bingo 1** for an easier starting point.

Too easy? Try **Rhythm Bingo 2** for trickier rhythms, including dotted rhythms and triplets.
