

Frere Jacques

Frere Jacques

The treble clef staff is divided into four measures. The first two measures contain notes: a black oval on the first line, a yellow oval on the second line, a black oval on the second space, a blue oval on the second space, a grey circle on the second space, and a red circle on the second space. The third and fourth measures contain a red circle on the second space, a red circle on the second space, a red horizontal bar on the second space, and a black square on the second space.

The bass clef staff is divided into four measures. Each measure contains a red horizontal bar on the first space, a red horizontal bar on the first space, a red horizontal bar on the first space, and a red horizontal bar on the first space.
