

Halloween Rhythm Game

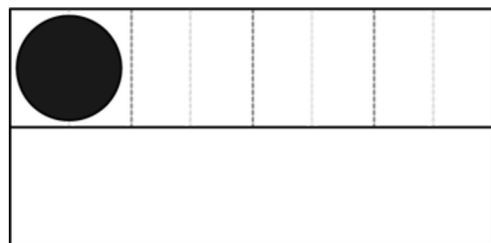

- Cut out the cards - ghosts, pumpkins, and skeletons. Each card = 1 beat
- Add a sound to each card to show the rhythm. You could use body percussion, vocal sounds, or instruments
- Make your own rhythms by laying the cards on the template sheet. The template = 1 bar

Take it further...

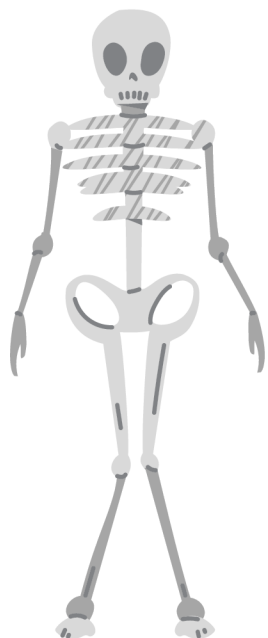

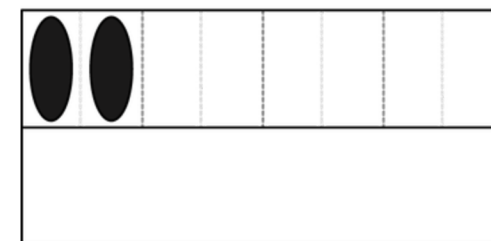

- Make up your own word rhythms on a halloween theme
- Put together different bars to make a longer phrase
- Try your phrases in a round
- Add notes to make a tune
- Can you write your rhythm or tune down using notation?
- Try using rests by leaving an empty space

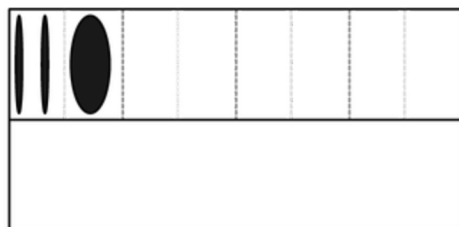

Ghost

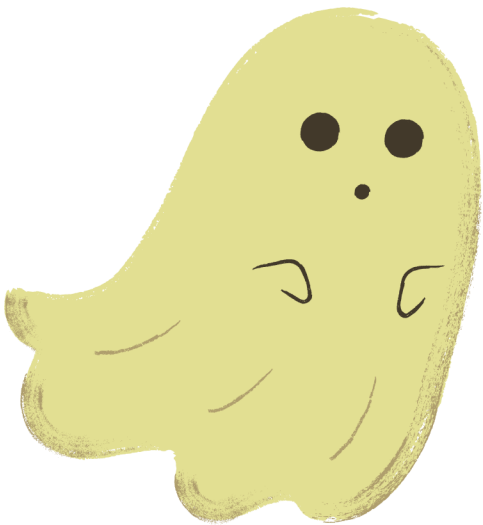

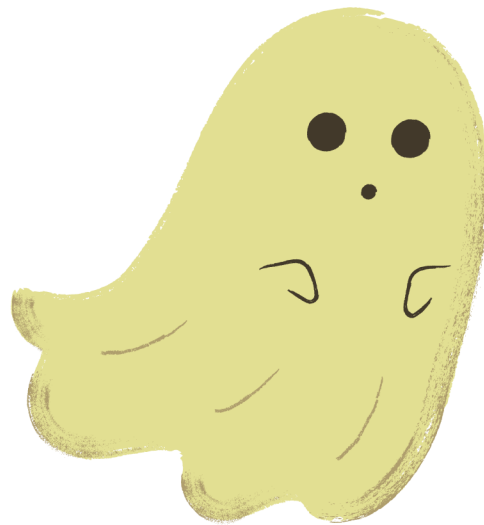

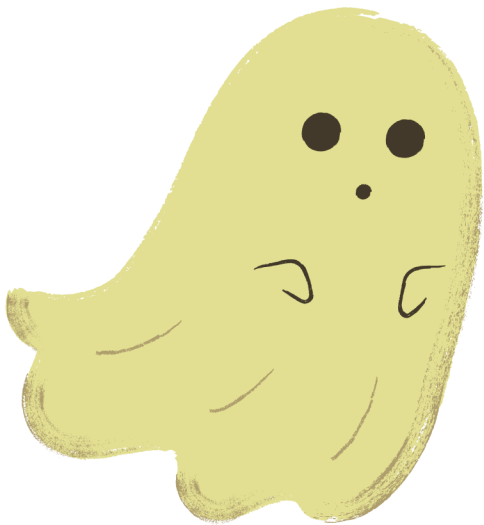

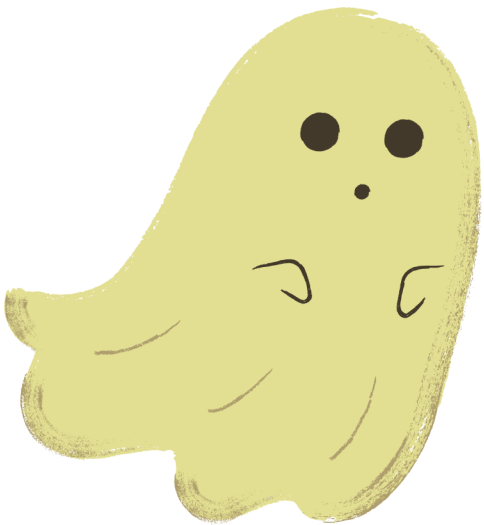

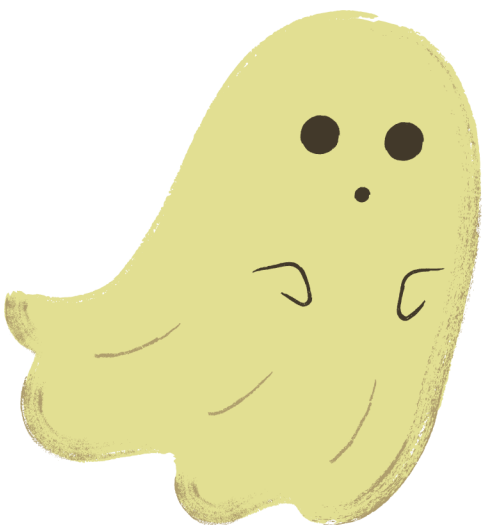

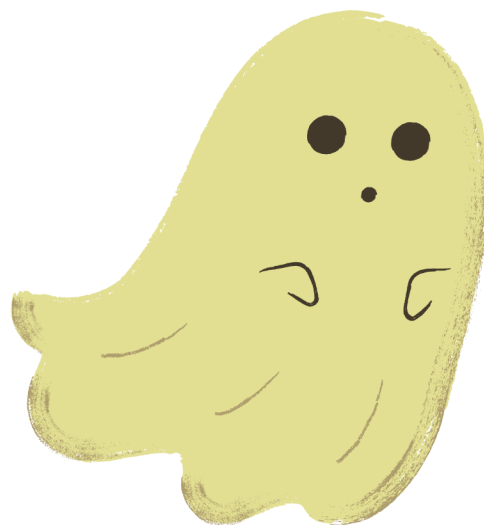

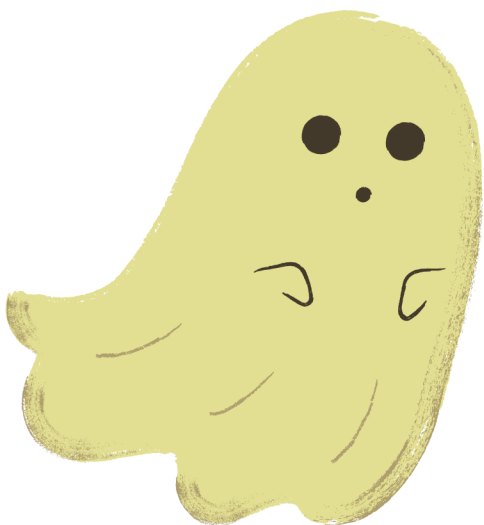

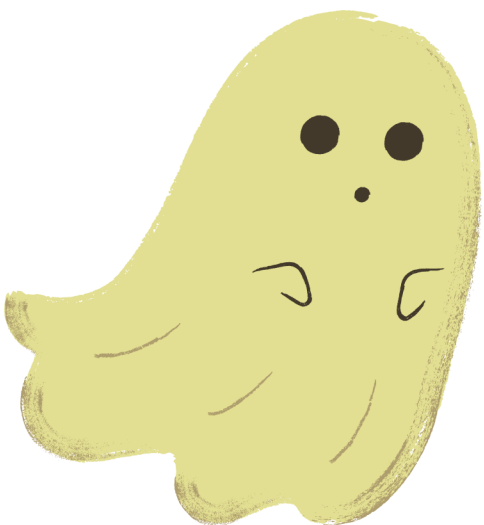

Pump-kin

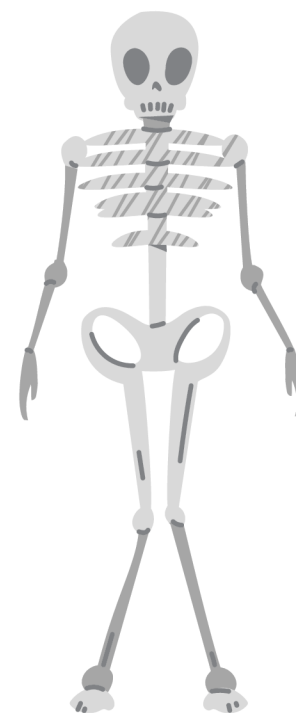

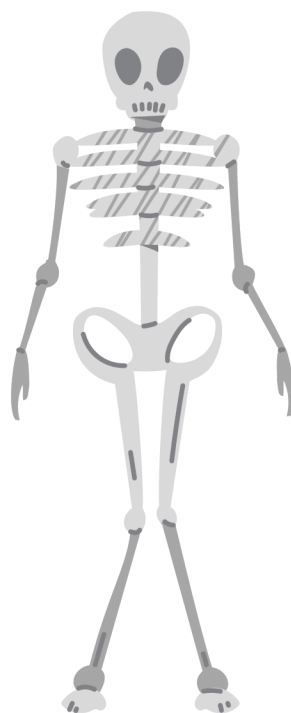

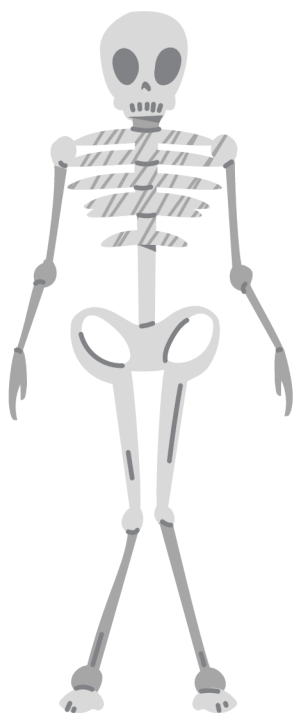

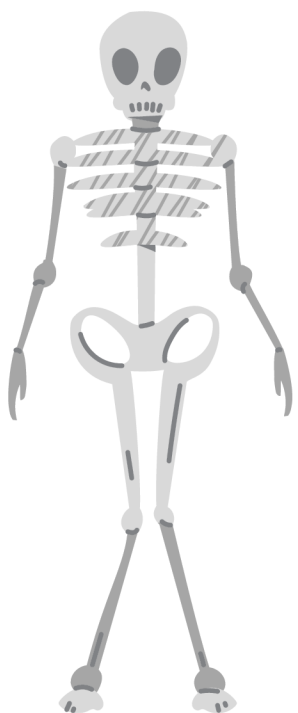

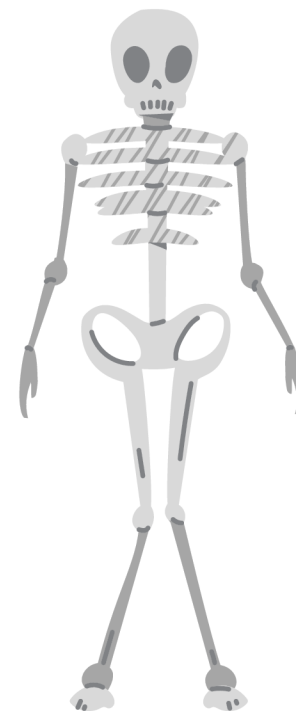

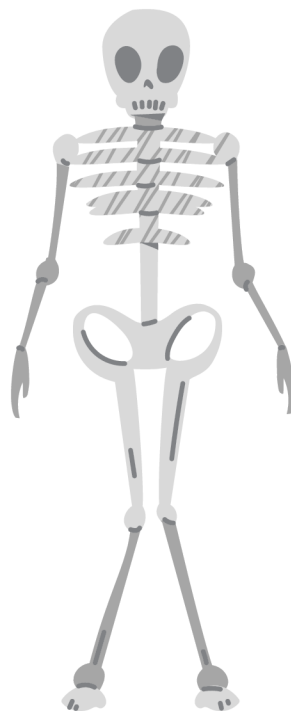

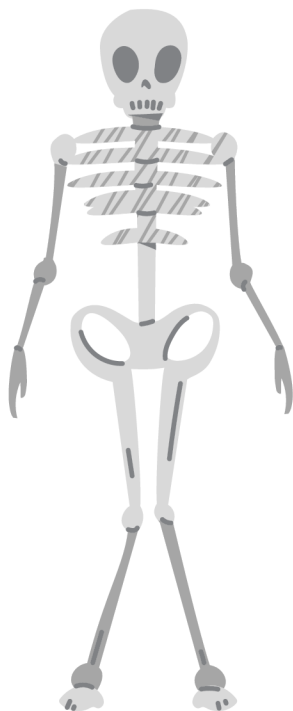

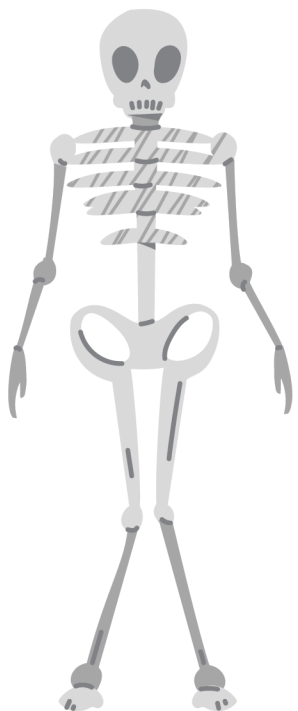

Ske-le-ton

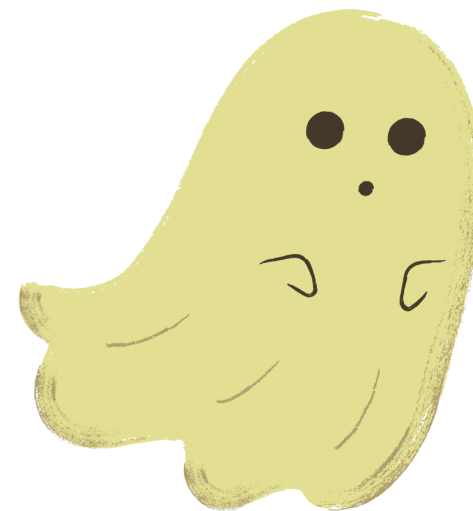

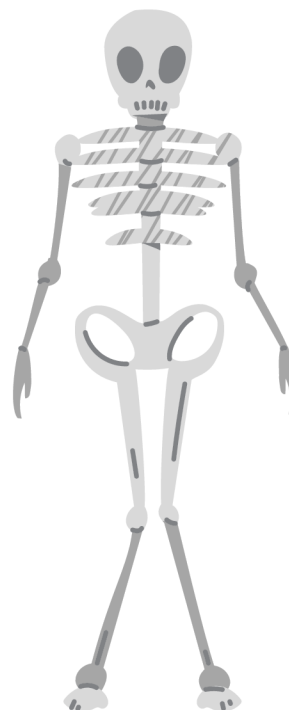

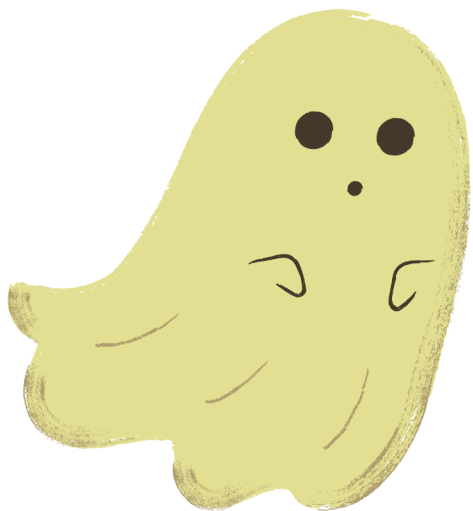

Try clapping this rhythm

Now try adding in other sounds, like 'stomp stomp' for 'pump-kin'
You can add words/pictures below to remind you
